Voyeur

Author's Notes:
Written for the \"twist\" drabble challenge.

He couldn't stop screening it like grainy porn on the insides of his eyelids. James. One hand fisted around his cock, water streaming through his hair. The other hand braced against the tile. Jason had frozen, wash bag swinging from his hand, unable to look away.

James's lips moved but the shower drowned out any words as he worked his cock almost viciously; a twist of the wrist on the upstroke, thumb flicking over the fat cockhead.

Years later it was still primo jerk-off material. As he gasped against the shower wall, Jason liked to pretend that James had said his name.
